CONFIRMATION OF REJECTION OF COVERAGE - TERRORISM RISK INSURANCE ACT INLAND MARINE

In accordance with the federal Terrorism Risk Insurance Act, insurers must make coverage available for certified acts of terrorism. The United States Government, Department of the Treasury, will pay a share of any terrorism losses insured under the act.

We have previously made an offer of coverage for certified acts of terrorism and advised you of the premium for such coverage. In order to reject our offer, you must sign this written statement that affirmatively expresses your desire to waive coverage for certified acts of terrorism.

TERRORISM EXCLUSIONS ON RENEWALS OF THIS POLICY

By signing the rejection statement below, you understand that an exclusion(s) of certain terrorism losses will be made part of this policy and any subsequent renewal until the Terrorism Risk Insurance Act expires. However, if upon renewal of your policy, you wish to purchase coverage for certified acts of terrorism, please contact your agent, broker or representative, and an offer of coverage will be made. If you decide to purchase the coverage, the exclusion(s) of certified acts of terrorism will be removed from your policy.

REJECTION STATEMENT

On behalf of the Named Insured shown above, I hereby:

- Reject the offer of coverage for certified acts of terrorism;
- Acknowledge that an exclusion(s) of certain terrorism losses will be made part of the policy;
- Acknowledge that, unless the Named Insured requests coverage for certified acts of terrorism at renewal, an exclusion(s) of certain terrorism losses will form a part of the policy and any subsequent renewals; and
- Acknowledge that I understand that there will be no premium charge made for terrorism coverage unless the Exception Covering Certain Fire Losses applies*.

* In the states listed in the schedule below, a terrorism exclusion includes an Exception Covering Certain Fire Losses. Therefore, if you reject coverage for certified acts of terrorism, that rejection does not apply to fire losses resulting from a certified act of terrorism and coverage for such losses will be provided in your policy. Because of this, only a portion of the premium for certified acts of terrorism will be returned to you. In subsequent renewals in which an exclusion of certified acts of terrorism is attached to your policy, a portion of the amount of premium you would have paid had you accepted our offer of coverage will be assessed.

The **Exception Covering Certain Fire Losses** applies to property located in the following states:

California, Maine, Missouri, Oregon, Pennsylvania, Wisconsin
